

TEDxSaintMichaelsCollege Partnership

A group of student volunteers is organizing the first ever TEDxSaintMichaelsCollege, an event inspiring our community. Our next event, *The Uncertain Future*, will take place on November 11, 2018.

In the spirit of ideas worth spreading, TED has created a program called TEDx. TEDx is a program of local, self-organized events that bring people together to share a TED-like experience.

Our event is called TEDxSaintMichaelsCollege, where x = independently organized TED event. At our TEDxSaintMichaelsCollege event, TEDTalks video and live speakers will combine to spark deep discussion and connection in a small group. The TED Conference provides general guidance for the TEDx program, but individual TEDx events, including ours, are self-organized.

It is our belief that at Saint Michael's College, every person can make a difference in the world.

TEDxSaintMichaelsCollege will be just the beginning to recognize the unrecognized, give a platform to those who do not have one, and inspire students.

Everyone has an idea worth sharing; we just put them on a stage.
